	POLICY	Revision Date : 01/03/2023

ENVIRONMENTAL POLICY

HCM Engineering Sdn. Bhd., a leading contractor principally for building works, pavement construction and rehabilitation strive to attain a worldwide premier status in the pavement technology and construction. Our organization will strive to continually improve our environmental performance and protection of the environment, including prevention of pollution throughout our business operations.

HCM is committed to:

- 1) comply with all applicable environmental legal and other requirements.
- 2) optimize usage of materials and natural resources.
- 3) reduce waste and maximize recycling and reusing opportunities where practicable.
- 4) to minimize emissions and discharges of pollutants to the environment.
- 5) promote environmental awareness to all the employees, contractors and other interested parties.
- 6) fulfill its compliance obligations.

It is mandatory for all employees of HCM Engineering Sdn. Bhd. to comply with the requirements of the Environmental Management System (EMS).
